### **Tax Commissioner and County Commissioner Post 1 to Hold Reverse Trick or Treat in Rockdale County Neighborhoods**

**ROCKDALE COUNTY, Ga.** – Rockdale County Tax Commissioner Tisa Smart-Washington and County Commissioner Post 1 Sherri L. Washington are partnering with each other to bring a safer trick or treat experience to the community with the Reverse Trick or Treat. The event will be held in four subdivisions within Rockdale County starting at 6 p.m. on Friday, October 30.

The Reverse Trick or Treat is where the Tax Commissioner and Commissioner will set up at a central location in the neighborhood, and trick or treaters visit that location only instead of visiting every house in the neighborhood as a means to keep the community safe during this time.

Rockdale County has selected four subdivisions out of groups showing interest in an alternative to traditional trick or treating. The four subdivisions that will be visited are Lionsgate East, Lake Capri Estates, Hidden Acres Subdivision and Deerwood Subdivision.

For more information, call 678-739-7949.
